Re: Supplemental Letter Requesting Investigation of Nominating Petition of U.S. Senate Candidate Mike Rogers for Potential Fraud

Dear Members of the Board of State Canvassers:

I. Introduction

On behalf of Michigan voter Emily Judd, the Michigan Democratic Party (MDP), and DSCC aka Democratic Senatorial Campaign Committee, we write to supplement our May 17, 2024 letter with additional indications of potential fraud in the nominating petition of Republican U.S. Senate Candidate Mike Rogers. As discussed herein and in the attached exhibits, our investigation has thus far uncovered indicia of potential fraud associated with the petition sheets of at least 18 circulators, who together submitted approximately 12,293 signatures in support of Mr. Rogers' nomination. As the Board has previously determined, fraud on any one sheet submitted by a particular circulator necessarily calls into question the validity of all of that circulator's sheets. If the Board finds that any circulator submitted a fraudulent petition sheet, it should invalidate all of that circulator's sheets—for any candidate, in addition to any signatures across the petition that are found to be invalid for other reasons.¹

Candidate Rogers announced in November 2023 that he had collected 30,000 petition signatures to qualify for the ballot.² Nevertheless, he waited until April 22, 2024, the day before the deadline, to file his petition. That means Mr. Rogers had five full months to review and confirm the validity of the petition sheets collected by his campaign, and it appears he failed to do so.

¹ Notably, Mr. Rogers shared a significant number of circulators with Mr. Pensler, Mr. Amash, and Mr. Meijer.

² Jessica Mathews, "Rogers Campaign Collects 30,000 Petitions Signatures in 8 Weeks," WHMI.com (Nov. 15, 2023) <https://www.whmi.com/news/article/rogers-senate-campaign-petition-signatures>.

II. Discussion

Since we submitted our May 17 letter, we have obtained declarations from 6 voters who affirmed that, although their names, information, and purported signatures appear on petition sheets for Mr. Rogers, they did not fill out or sign those petition sheets. One such declaration is from Mary Alexander, who also confirmed that her brother DeWayne Washington could not possibly have signed the same petition sheet where her name appears because, at the time he purportedly signed, he was deceased. See Exhibit 1; see also Exhibits 2-6. Thirteen other voters have executed declarations affirming that they do not have any recollection of ever signing the petition and would not knowingly have signed a petition to support Mr. Rogers. See Exhibits 7-19. All of these declarations were collected only during the last several days.

A complete list of the circulators for whom a voter has affirmed via declaration that they did not sign a petition—despite their name appearing on the circulator’s petition—and the total number of signatures that each such circulator submitted in support of Mr. Rogers is provided below. As reflected by this list, the circulators who submitted petition signatures that have been called into question by these declarations were prolific circulators for Mr. Rogers.

Circulators Implicated by Voter Declarations	
Circulator Name	Estimated total number of signatures submitted in support of Mr. Rogers
Robyn Reynolds	1,171
Tim Yarn	1,863
Joslyn Kinney	1,237
Wilbert Houston	1,230
Ronald Gill	250

Second, many circulators who collected signatures for Mr. Rogers also submitted petition sheets with errors and markers that this Board has found to be indicative of fraud in the past, such as address errors, misspelled names, and inconsistent handwriting across petition sheets.³ For example:

- Sheet 1465, lines 1&2, submitted by Tim Yarn: no street address information

1.		MAX HILLMAN	SAGINAW MI 49601	SAGINAW MI	49601	10	18	23
2.		Jeremy Crowder	Saginaw MI 49601	Saginaw	49601	10	18	23

³ See Exhibit 22. Moreover, in our May 17, 2024 letter, we included several other examples such indications, including on sheets submitted by circulator Tracee Bradford and George Harper. See May 17 Letter at p 4 & Exhibit 5.

- Sheet 1690, line 3, submitted by Tim Yarn: address listed as “2745 Auburn Dr,” which does not exist in Saginaw

- Sheet 3831, line 8, submitted by Dennis Rodzik: signature and printed name in the wrong boxes; signature appears to be initials “A L F,” which do not match printed name, Ray Czapek

The undersigned circulator of the above petition asserts that he or she is 18 years of age or older and a United States citizen, that each signatory on this petition was present in his or her presence and that he or she has neither received nor received a return to date this petition.

- Sheet 1960, line 8 & sheet 3319, line 10, submitted by Patrice Allen: the signer's first name (which appears to be "Lorraine Fletcher" in at least one formulation), handwriting, and address appear different across two sheets

9. <i>Sheena Thompson</i>	Sheena Thompson	4307 Duke St
10. <i>Lorraine Fletcher</i>	Lorraine Fletcher	105 Walnut

- Sheet 807, submitted by Zachary Hamilton, demonstrates evidence of incomplete "roundtabling" similar to evidence the Board has cited in the past as potentially indicative of fraud. Unlike prior examples, where individuals in "roundtabling" left entire lines in the middle of a petition page blank, here it appears that the individuals filling out this sheet may have been assigned specific signature fields to fill out, and in some cases failed to complete those fields. For example, on line 7, the signature and zip code are filled out, and the rest of the fields in that line appear to have been "skipped." On line 9, only the signature, name, and date were filled out, and the rest of the fields appear to have been "skipped." Although it is not uncommon for a voter to change their mind in the middle of completing a line and cross it out, the pattern of blank fields shown on this sheet is suspicious.

CERTIFICATE OF CIRCULATOR

The undersigned circulator of the above petition asserts that he or she is 18 years of age or older and a United States citizen; that each signature on this petition was signed in his or her presence; that he or she has neither caused nor permitted a person to sign the petition more than once and has no knowledge of a person signing the petition more than once; and that to his or her best knowledge and belief, each signature is the genuine signature of the person purporting to sign the petition, the person signing the petition was at the time of signing a registered elector of the City or Township indicated preceding the signature, and the elector was qualified to sign the petition.

If the circulator is not a resident of Michigan, the circulator shall make a cross (x) or check mark (✓) in the box provided, otherwise each signature on this petition sheet is invalid and the signatures will not be counted by a filing official. By making a cross or check mark in this box provided, the undersigned circulator asserts that he or she is not a resident of Michigan and agrees to accept the jurisdiction of this state for the purpose of any legal proceeding or hearing that concerns a petition sheet executed by the circulator and agrees that legal process served on the Secretary of State or a designated agent of the Secretary of State has the same effect as if personally served on the circulator.

WARNING - A CIRCULATOR KNOWINGLY MAKING A FALSE STATEMENT IN THE ABOVE CERTIFICATE, A PERSON NOT A CIRCULATOR WHO SIGNS AS A CIRCULATOR, OR A PERSON WHO SIGNS A NAME OTHER THAN HIS OR HER OWN AS CIRCULATOR IS GUILTY OF A MISDEMEANOR.

Third, many of the petition sheets submitted by circulators for Mr. Rogers reveal other suspicious patterns that warrant investigation. For example, at least one of Mr. Rogers’ circulators, Dennis Rodzik, submitted petition sheets containing significant numbers of signatures from voters who listed addresses in geographically disparate parts of the state—often on opposite sides of Michigan, many hours apart—all purportedly collected on the same day. See Exhibit 21.

Dennis Rodzik collected 84 signatures from ten different counties across Michigan on one day, October 14, 2023:

Benzie: Pages 2319, 2470, 2999, 3487	32 signatures
Genesee: Pages 756, 811	12 signatures
Kent: Page 3384	10 signatures
Kalkaska: Page 618	2 signatures
Ingham: Page 622	5 signatures
Oakland: Pages 569, 2612	3 signatures

Macomb: Page 778	4 signatures
Leelanau: Pages 3295, 3635	5 signatures
Grand Traverse: Page 3861	5 signatures
Ottawa: Page 786	6 signatures

In total, Mr. Rodzik submitted 1,882 signatures for Mr. Rogers.

Those signatures should all be investigated. According to Donald Michael Kolehouse II, founder of canvassing firm Kolehouse Strategies, collecting such a high volume of signatures over such a widespread geographic distribution that includes multiple low-population counties is extremely atypical and warrants further investigation from the Board. See Exhibit 20.

Finally, as discussed in our May 17 letter, ten circulators who were named in the complaints alleging fraud in Lisa Neilson’s and Matthew Ackerman’s petitions to qualify as candidates for the Court of Appeals also circulated petition sheets for Mr. Rogers. To the extent the Board finds that these circulators submitted fraudulent petition sheets for candidates Neilson and Ackerman, it should also investigate the sheets they submitted for Mr. Rogers. Those circulators, and the number of signatures they submitted for Mr. Rogers, are listed below.

Neilson/Ackerman Circulators		
Circulator	Prior Candidate(s)	Total number of signatures submitted for Mr. Rogers
Alvin Crossnoe	Ackerman	294
John Damon	Ackerman	222
Diallo Daniely	Neilson	195
Laurence Gooden	Neilson	321
Gersena Guyton	Neilson	316
Donald Harris	Ackerman	494
Robert Harris	Neilson	220
Bridgette Hawkins	Neilson	292
Kyna Lynn Pickens	Ackerman	65
Robyn Reynolds	Ackerman	1,171

In addition to indicators of potential fraud, our review of the state’s sample of Mr. Rogers’ petition sheets revealed that as many as 23% of the signatures on the petition were provided by individuals not registered to vote in Michigan. Because the sample is representative of the

full petition, we presume the Board’s review will find a similar percentage of unregistered voters in the full universe of Mr. Rogers’ petition sheets.

III. Conclusion

In total, Mike Rogers submitted 29,985 signatures. Our review of the Board’s sample of Mr. Roger’s signature lines revealed that as many as 23% of the individuals who signed Mr. Rogers’ petition are not registered to vote and therefore not qualified to sign. If that same percentage holds across the entire petition, then approximately 6,500 of the signatures on Mr. Rogers’ petition are invalid on that basis. In addition, there is reason for the Board to investigate the signatures collected by the following circulators based on the information provided in this letter and our May 17, 2024 letter:⁴

Circulator	Number of Signatures Submitted
Dennis Rodzik	1882
Tim Yarn	1862
Joslyn Kinney	1237
Wilber Houston	1230
Robyn Reynolds	1171
George Harper	802
James White	734
Tracee Bradford	706
Donald Harris	494
Laurence Gooden	321
Gersena Guyton	316
Alvin Crossnoe	294
Bridgette Hawkins	292
Ronald Gill	250
John Damon	222
Robert Harris	220
Diallo Daniely	195
Kyna Pickens	65
TOTAL	12,293

⁴ See Exhibit 23.

Even assuming that 23% of the individuals who signed these circulators' pages are among those not registered to vote, that leaves approximately **9,465 signatures** implicated by the indications of potential fraud discussed in this letter and our May 17 letter. Combined with the approximately 6,500 signers we anticipate the Board will find to be unregistered, **15,965 signatures on Mr. Rogers' petition may be implicated.**

Given the total number of signatures that are potentially implicated and may be invalid, **we urge the Board to open a prompt investigation.**

If the Board finds that Mr. Rogers or any other candidate did not submit at least 15,000 valid signatures, then those candidates should not be qualified for the ballot.

Thank you for your consideration.

Exhibit 20: Declaration of Michael Kolehouse

Declaration of Donald Michael Kolehouse II

To the Michigan Board of State Canvassers:

1. I, Donald Michael Kolehouse II, am a registered voter in Kent County and the State of Michigan.
2. I reside at 209 Charles Ave SE, Grand Rapids, MI 40503 in Kent County in the State of Michigan.
3. I founded Kolehouse Strategies, a canvassing firm in Michigan, in 2017.
4. I have overseen the nominating petition signature collection processes for over twelve years and for over twenty candidates over the course of my career.
5. Based on my experience, I have developed expertise in signature collection tactics and am very familiar with signature collection patterns and practices in Michigan.
6. I have reviewed some of candidate Mike Rogers’s petition sheets, including several that were circulated by Dennis Rodzik.
7. Mr. Rodzik appears to have collected signatures over the course of a single day from voters who listed addresses in multiple low-population counties that are several hours away from each other. See Exhibit A.
8. Based on my experience and expertise, I believe that Mr. Rodzik’s petition sheets—and others that may exhibit similar patterns—warrant further investigation by the Board because the geographic distribution and volume of signatures he purports to have collected on single days is extremely atypical.

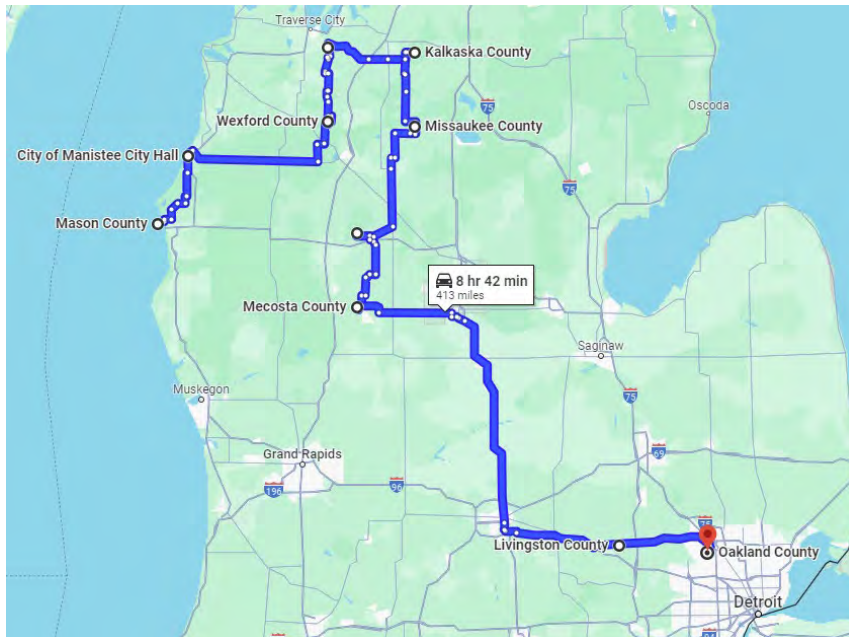

Exhibit 22: Circulator-by-Circulator Indications of Potential Fraud

EXHIBIT 2

DENNIS RODZIK

In addition to a voter affirming via declaration that they do not recall signing a petition circulated by Dennis Rodzik, there also appears to be a pattern of misspellings, errors, and incorrect voter information across his petition sheets. The Board of State Canvassers has found these types of errors indicators of fraud.

1. MISPELLINGS AND ERRORS IN INFORMATION

ROGERS 3831, LINE 8

The signature that appears in the printed name box is clearly three cursive letters “a” “l” and “f” (all lowercase cursive) and none of those letters match to the signer’s name.

2. INCORRECT VOTER INFORMATION

ROGERS 2470, LINE 2

We expect that the Board’s investigation would find that there is no “Spencer Wye” at the listed address in the voter file.

ROGERS 3890, LINE 1

We expect that the Board’s investigation would find that there is no “Jack Van Treese” at the listed address in the voter file.

TIM YARN

In addition to a voter affirming via declaration that they did not sign a petition circulated by Tim Yarn, there is a pattern of incorrect voter information, misspellings, and bad addresses across his petition sheets. The Board of State Canvassers has found these types of errors to be indicators of fraud.

1. MISSPELLINGS AND ERRORS IN INFORMATION

ROBYN REYNOLDS

A voter affirmed via declaration that they did not sign a petition circulated by Robyn Reynolds. In addition, the same signer name was repeated on different pages circulated by Robyn Reynolds, with apparent discrepancies in the handwriting:

ROGERS - 2810 - LINE 3 - DERRICK WEBSTER

² Roy Brown	ROY BROWN	6617 DARYLL	FLINT	48505	7	22	23

In addition, apparent misspellings appeared in a voter's name and address on Rogers Page 2368, Line 4, circulated by Robyn Reynolds. The signature box says "Terea Fields" and the printed name says "Teresa Fields." The address says 6044 Ting Dr., which does not appear to be a valid address.

This same voter appeared on a page circulated by a different circulator, Tiffay Rodriguez, on the petition of Sheldon Neely, candidate for U.S. Congress, with what appears to be markedly different handwriting and a different misspelling of the address.

BRIAN CLARK AND WILBERT HOUSTON

A voter affirmed via declaration that they did not sign a petition circulated by Wilbert Houston. In addition, on Rogers Page 2516, circulated by Wilbert Houston, the name of a voter, Brian Clark, appears in the exact same handwriting as another Rogers circulator, also named Brian Clark. However, the voter's name appears to be misspelled in the signature line. This could be an indication that Wilbert Houston permitted Brian Clark to apparently forge a voter's signature on his petition.

ROGERS 2516 - LINE 4

The printed name "Brian Clark" is in the same handwriting as the circulator "Brian Clark's" printed name, but at a different address.

On Rogers Sheet 1243, Gary J Hull is listed on Line 3 and then, on Line 8, it appears that someone wrote Gary Hull again in the signature box but Gino Jacobs in the printed name box. In addition, on Line 3, the address is written as 902 E. Cart St. but on Line 8 it is 902 E. Court St.

ROGERS - 2541 -

The signature on Line 2 does not appear to match the name of the voter. The signature on Line 3 (which has been crossed out) is identical to the signature on Line 2. In addition, the address in Line 2 appears to be misspelled, and there are similarities in the cursive "N" used across Lines 1-3.
